Tessoro 2019

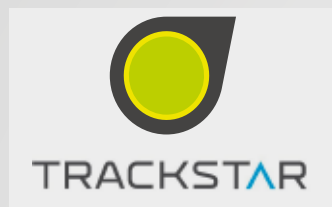

⊕ Key Features & Benefits

NCC Approved & Full UK Specification

Your Tessoro motorhome:

- Has been rigorously tested
- Is safe & legal for use on UK roads
- Has met all NCC approval standards
- Is certified safe for you & your family

GPS Trackstar Tracker with Free 1 Year Subscription

Your new Tessoro motorhome is protected 24/7 with the Trackstar Leisure CAT 6 Tracker with a free 1 year subscription included.

1 Years Free Insurance*

Enjoy your trips away knowing that your first year of motorhome insurance is covered by Safeguard specialist motorhome insurance cover.

Ford Euro 6 Chassis 170bhp Engine with AdBlue technology

Ensuring a comfortable and powerful driving experience with daytime running lights. Ford Comfort-matic automated gearbox available as a cost option (Ford auto Start/Stop system is disabled on automatic gearbox upgrade).

Touch screen DAB radio, sat nav & integrated rear view camera

Make your way to your holiday destination with ease and with the latest audio technology.

ABS brakes, ESP Traction Control and Hill Assist

Travel with maximum peace of mind, knowing your Tessoro features sophisticated control technologies which can be operated from the cabin easily and quickly.

Cab Air Conditioning & Cruise control

Drive with ultimate comfort thanks to the inclusion of cab air conditioning. Perfect for those longer summer journeys away.

Exterior BBQ & Shower points

From washing off a muddy dog after a walk to grilling an al fresco dinner for the family, this couldn't be easier, thanks to the functionality of the external BBQ and shower points.

Multi positional electric drop down beds

Benimar have expertly designed the 2019 Tessoro range to include a number of versatile, and space saving electric drop down bed options.

Solar Panel

From a short break to a longer holiday, the fitted solar panel can ensure that your battery life lasts longer. Being self sufficient helps you take advantage of the freedom a motorhome brings.

Grade 3 Fully Insulated

Enjoy the perfect climate 365 days a year. All Tessoro models have successfully achieved the Grade 3 classification for heating and thermal insulation.

99% Wood Free Construction

Benimar motorhomes offer the almost complete elimination of wood in the bodywork structure and the use of damp-proof materials, which are extremely effective at insulating to guarantee that the vehicle lasts longer.

+ Specification

+ Fabric

Luxor

+ The Truma iNet System

More comfort on the move in a new dimension: The Truma iNet System enables the Combi heater and Truma air conditioning systems to be remotely controlled anywhere and anytime; be it on the ski slopes, at the beach or when hiking. The Truma iNet System allows you to control the units easily and simply via the Truma app from wherever you are, and to query the current device and vehicle status. This makes camping much more easy, comfortable and safe.

Optional Upgrade

 **170bhp
Automatic
Gearbox ****

Works in both fully automatic and sequential manual mode. Ford auto Start/Stop system is disabled with Automatic gearbox upgrade.

† IMPORTANT: The calculated weight is an estimation only. All the weights mentioned in this catalogue are according to the European Directive 1230/2012 and to the EN 1646-2 standard. The calculation of the weight includes; 90% of fuel in the tank, 1 gas bottle, 50 litre fresh water, 1 person to drive (75 kg), 10 kg luggage. All masses and weights are subject to a tolerance of +/-5% complying with the European Directive 1230/2012.

Bed sizes have been rounded to the nearest inch.

**With this vehicle configuration it may be necessary to reduce the payload carried inside the van when towing to ensure the MTPLM and maximum axle loads are not exceeded. Please consult your sales representative for more detailed towing information. The optional Automatic gearbox on the Ford chassis will increase the MRO by 39 kg and therefore reducing the user payload by the same amount.

Dimensions quoted are "aperture" height and width and interior garage dimensions may vary.

The Maximum User Payload includes: a) conventional load (this is the allowance for passengers) b) essential habitation equipment (items of fluids required for safe and proper functioning of habitation equipment) c) optional equipment (items available from the manufacturer over and above the standard specification) d) personal effects (those items not effected by the above).

Please take care to ensure that you have allowed for the masses of all the items you intend to carry in the motorhome e.g. Passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, sailboats, sports equipment etc. The weight of any additional accessories must be deducted from the payload, given that could mean the reduction of the number of passengers. It should be ensured not to exceed the maximum allowable loads on the shafts and technically permissible weight of the fully loaded vehicle.

The maximum weight capacity for an electric drop down bed is 250kg, fixed rear beds have a limit of 250kg, overcab beds are 250kg and bunk beds 100kg.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an offer by Benimar or Marquis. It's the continual policy of Ford and Benimar to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Benimar reserve the right to alter the specifications and price at any time without prior notice. Benimar design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Bedding and "dress" items shown in photography are used for illustrative purposes only and are not part of the vehicle specification. The End Of Life Vehicle Directive for Ford - please visit www.ford.co.uk under the Environment section. Please note that Imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Effective 1st March 2019. This literature supersedes all others. VZ.
