## ⊕ Key Features & Benefits

Power combined with your safety and security are the key elements built into the design of every Majestic motorhome. Couple this with highly sought after layouts and an industry leading specification, you can be assured of the best in quality, style and holiday performance.

### Peugeot Boxer Blue HDi Euro 6 160bhp Engine with 6 speed gearbox & AdBlue technology

Ensuring an outstanding drive performance with better fuel efficiency and reduced emissions.

### 1 Years Free Insurance\*

Enjoy your trips away knowing that your first year of motorhome insurance is covered by Safeguard specialist motorhome insurance cover.

### Thatcham conversion alarm with GPS Tracker

Your new Majestic motorhome is secured with Thatcham conversion alarm and fitted with a GPS Tracker system for added protection.

### ABS brakes and Tyre pressure monitoring system

Travel with maximum peace of mind, knowing your Majestic features sophisticated control and information technologies.

### Touch Screen DAB Radio/MP3/Sat Nav With USB Port & Bluetooth Handsfree

With steering mounted controls, the latest audio technology is at your fingertips on all your journeys.

### Automatic Cab Air Conditioning & Cruise control

Drive with ultimate comfort thanks to the inclusion of automatic cab air conditioning & climate control. Perfect for those longer summer journeys away.

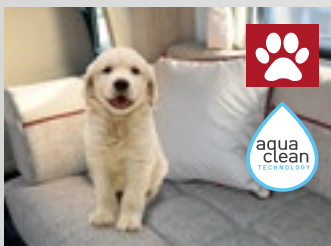

### Exterior BBQ & Shower points

Washing off muddy boots after a walk, grilling an al fresco dinner for the family couldn't be easier thanks to the functionality of the external BBQ and shower points.

### Rear view observation camera

Maintain your control and visibility. The in-built camera allows you to benefit from increased visibility behind your vehicle and reduce minor accidents.

### Exclusive upholstery with Aquaclean®, Safefront® & Pet Friendly® technology

Simply wipes clean with water and will not snag, so completely pet friendly!

### Solar Panel

From a short break to a longer holiday, the fitted solar panel can ensure that your battery life lasts longer. Being self sufficient helps you take advantage of the freedom a motorhome brings.

### Grade 3 Fully Insulated

Enjoy the perfect climate 365 days a year. All Majestic models have successfully achieved the Grade 3 classification for heating and thermal insulation.

### Strong, Light & Dry Construction

The first and only fully bonded construction system for motorhomes offering integrity and rigidity, improved fuel consumption and waterproof joints with 95% fewer exterior screws.

† IMPORTANT: The calculated weight is an estimation only. All the weights mentioned in this catalogue are according to the European Directive 1230/2012 and to the EN 1646-2 standard. The calculation of the weight includes; 90% of fuel in the tank, 1 gas bottle, 50 litre fresh water, 1 person to drive (75 kg), 10 kg luggage. All masses and weights are subject to a tolerance of +/-5% complying with the European Directive 1230/2012.

Bed sizes have been rounded to the nearest inch.

\*\*With this vehicle configuration it may be necessary to reduce the payload carried inside the van when towing to ensure the MTPLM and maximum axle loads are not exceeded. Please consult your sales representative for more detailed towing information.

# Dimensions quoted are "aperture" height and width and interior garage dimensions may vary.

The Maximum User Payload includes: a) conventional load (this is the allowance for passengers) b) essential habitation equipment (items of fluids required for safe and proper functioning of habitation equipment) c) optional equipment (items available from the manufacturer over and above the standard specification) d) personal effects (those items not effected by the above).

Please take care to ensure that you have allowed for the masses of all the items you intend to carry in the motorhome e.g. Passengers, optional equipment, essential habitation equipment and personal effects, such as clothing, food, pets, sailboats, sports equipment etc. The weight of any additional accessories must be deducted from the payload, given that could mean the reduction of the number of passengers.

It should be ensured not to exceed the maximum allowable loads on the shafts and technically permissible weight of the fully loaded vehicle.

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. This brochure does not constitute an offer by Elddis or Marquis. It's the continual policy of Peugeot and Elddis to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Elddis reserve the right to alter the specifications and price at any time without prior notice. Elddis design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Bedding and "dress" items shown in photography are used for illustrative purposes only and are not part of the vehicle specification. The End Of Life Vehicle Directive for Peugeot - please visit [www.peugeot.co.uk](http://www.peugeot.co.uk) under the Environment section. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Effective 1st December 2018. This literature supersedes all others.
