Growing from a small garage in Hampshire, we now serve the UK with a 13 dealer network. Our unique Buy, Collect and Service guarantee means that you are never far from a Marquis branch when you

need them. This is backed up by an industry leading three year guarantee that comes with all of our quality pre-owned models, for your peace of mind. Over the years Marquis have obtained many accolades from leading magazines and the prestigious industry awards run by the Caravan and Motorhome Club and Caravan and Camping Club. Customers return time again for their next purchase, knowing that they will be looked after.

In recent years becoming part of Europe's leading motorhome and caravan manufacturing group, the Trigano Group, has meant our buying power, product ranges and availability extends even further. We continue to work with the best Manufacturers in the UK and Europe to bring some of the best Special Edition motorhome and caravan ranges to the marketplace, offering exceptional specification at affordable price tags.

50 YEARS
1973 - 2023

1973

1978

1986

Marquis Motors is established in a small workshop in Hampshire. The name Marquis derived from an amalgamation of original owner's wife's name and the name of a wife of a friend.

The first two motorhomes are purchased by the company for the start of a rental fleet. The next few years will see the company acquire further motorhomes to add to the fleet and also begin motorhome retail sales.

This was the year the company acquired its first new motorhome franchise. Elddis is a brand to this day we are proud to have a strong working relationship with and work closely alongside to bring you one of our best-selling special edition ranges.

1991

Marquis begins expansion into a multi dealership company with the acquisition of a second branch in Dorset. From now until the present day, Marquis will acquire a further 11 depots to become the nationwide dealer with 13 branches across the UK that you see today.

2000

Marquis and Auto-Sleepers merge to become the Auto-Sleepers Group to form a unique business model becoming a customer, client, supplier or competitor of virtually everyone in the industry.

2017

Marquis is acquired by the Trigano Group. Trigano specialise in the design, manufacture and sale of leisure vehicles and are Europe's leading manufacturer of motorhomes and caravans bringing the UK's best-selling imported products exclusively to Marquis.

Aftersales Support

Marquis is totally committed to customer care and this dedication is reflected in our aftercare policy. Our goal is to give customers the best service, not only when they first make a purchase, but throughout the years of motor/caravanning that will follow.

With this in mind, Marquis has its own Customer Care department, run by a team of highly experienced professionals. Whilst your first port of call for any aftersales enquiry should be your local branch, the Customer Care department will help resolve any outstanding issues that may arise.

Accessories

With a nationwide network of thirteen branches Marquis can offer you a massive choice of parts and accessories available to order at anyone of our branches. Marquis Surrey also has an Awning Shop with a plentiful choice of suppliers.

Approved Dealerships

All 13 Marquis dealerships have been awarded 'Approved Dealership' status by caravan industry trade body the National Caravan Council (NCC).

The scheme covers the sales of touring caravans and/or motorhomes, meaning customers can buy in confidence from a network of quality dealers.

Marquis Leisure is part of an industry worth more than £6 billion a year to the UK economy, one that sustains more than 100,000 jobs and is a real British success story. Crucial to this success is a commitment to treating customers in a fair and honest way while delivering exceptionally high standards of service. After a comprehensive, independent on-site assessment, Marquis was found to meet all of the strict criteria governing the scheme and was awarded NCC Approved Dealership status.

For more information on the NCC and The NCC Approved Dealership scheme visit www.approveddealerships.co.uk.
