IMPORTANT SPECIFICATION INFORMATION

Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (November 2020), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. It's the continual policy of Fiat and Benimar to seek to improve their vehicles in every way and so whilst every effort has been made to ensure the details set out in this brochure were correct at the time of going to press, they are unable to accept responsibility for discrepancies between these and subsequent models shown. Benimar reserve the right to alter the specifications and price at any time without prior notice. Bedding and 'dress' items shown in photography are used for illustrative purposes only and are not part of the vehicle specification. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%).

- Maximum User Payload includes Personal Effects Payload, conventional load and the Optional Equipment Payload.
- Please ensure that you've allowed for the masses of all items you intend to carry in the Motorhome.
- All data is calculated using metric weights and measurements. The imperial figures quoted are conversions thereof and have been rounded to the nearest inch. All dimensions have a tolerance of +/- 25mm.
- Your Motorhome weights have been calculated with all water tanks empty and you are recommend to travel with all water tanks empty.
- Heights are measured on an unladen vehicle with the aerial in the lowest position.
- The maximum weight capacity for an electric drop down bed is 250kg, fixed rear beds have a limit of 250kg, overcab beds are 250kg and bunk beds 100kg.
