WELCOME TO THE AUTO-TRAIL V-LINE SE

We've created the perfect balance of versatility and comfort with the Auto-Trail V-Line SE campervan range, designed for unforgettable getaways. The compact V-Line 540 SE is an ideal travel companion for one or two, offering a cosy rear lounge that makes up into a double bed, a well-equipped kitchen, and a separate washroom, all built on a powerful Fiat Ducato chassis and only 5.41m long.

Enjoy panoramic views with the optional Panoview skylight and make the most of extra storage and headroom with Cab-Plus. For more space, the V-Line 610 SE and 635 SE models boast a spacious rear lounge that easily converts into a double bed, perfect for admiring scenic vistas. The V-Line 636 SE adds two travel seats, allowing families to travel in comfort and style.

With integrated media features and ergonomic design, every model is ready to transform your adventures into memorable experiences. Explore the world with freedom and flair in an Auto-Trail V-Line SE campervan.

WELCOME TO THE AUTO-TRAIL V-LINE SPORT

If you want to unleash your adventurous spirit, look no further than the Auto-Trail V-Line Sport campervan range, designed for active travellers and sports enthusiasts. The compact V-Line 610 Sport and spacious 635 and 636 Sport models feature a unique gas strut boot for easy access to your sports equipment, perfect for surfers and hikers. With no barn doors, the luxurious rear lounge boasts a wrap-around U-shape for ultimate relaxation, seamlessly transforming into a comfortable double bed at night.

Built on the reliable Fiat Ducato chassis with a 140bhp engine, these campervans ensure smooth performance on every journey. Enjoy modern touches like Cab-Plus for added headroom and the Media Pack which comes as standard with a widescreen TV and 9" Pioneer touchscreen head unit with Apple CarPlay and Android Auto.

Whether you're dining alfresco with the BBQ point or basking in natural light from the optional Panoview skylight, the V-Line Sport campervans offer the perfect blend of practicality, luxury, and adventure.

WELCOME TO THE AUTO-TRAIL ADVENTURE

Define the spirit of adventure with the family-friendly Auto-Trail Adventure 55 and 65 campervans. The compact Adventure 55, under six meters long, comfortably sleeps up to four, making it perfect for spontaneous family getaways. Featuring a pop-top roof and a rear make-up bed, this campervan is designed for families, couples and solo travellers seeking thrilling escapes.

For those needing extra space, the Adventure 65 offers an extended version with two double beds and a spacious living area, making it ideal for young families. Built on the sleek Fiat Ducato chassis, both models boast 16" alloy wheels, and upgraded awnings for the 2025 season for a stylish and functional look.

With modern comforts like touchscreen media with Apple CarPlay/Android Auto, and Panoview as standard, the Adventure range ensures unforgettable journeys. Own the freedom of the open road and create lasting memories with your loved ones.

WELCOME TO THE AUTO-TRAIL EXPEDITION

Create unforgettable family adventures with the Auto-Trail Expedition motorhome range, offering versatile, budget-friendly travel solutions for every need. The compact Expedition C63, perfect for families, features a spacious front lounge that converts into a cosy double bed, with an additional over-cab bed for extra comfort. Enjoy a fully equipped end kitchen, ample storage, and a separate washroom, all built on the reliable Fiat Ducato chassis with a 140bhp engine.

For larger families, the Expedition C71 offers a private rear island bed and a hi-line over-cab double bed, ensuring comfort and space. The luxurious C72 boasts a U-shaped lounge that transforms into a large double bed, perfect for group entertainment. Meanwhile, the C73 provides a practical layout with two fixed beds and expansive storage for active families.

With stylish designs, modern features, and customisable options, the Expedition range delivers the perfect home on wheels for your next adventure.

WELCOME TO THE AUTO-TRAIL F-LINE

Innovative space and compact luxury define the Auto-Trail F-Line motorhome range, blending convenience and comfort in every model. The F60 is perfect for couples or solo travellers, featuring a smart design with an optional electric drop-down bed, ergonomic kitchen, and spacious rear washroom – all within 5.99m. Built on the Ford Transit chassis, it's a breeze to drive and park.

The F62 maximizes space with its L-shaped rear kitchen and open lounge, while the F68 offers 180° panoramic views from its expansive rear lounge. For families, the F70 features fixed rear twin beds and an optional electric drop-down bed, while the F72's dual lounges ensure space for both adults and kids.

The F74 stands out with its sleek 7.32m frame, featuring a front living area and rear island bed. With practical features like the optional super-fast Wi-Fi, these motorhomes elevate your adventures.

WELCOME TO THE AUTO-TRAIL EXCEL

Unwind in the ground-breaking Auto-Trail Excel motorhome range, where compact design meets luxury living. The Excel 620G, at 6.20m, offers three berths, featuring a fixed transverse rear bed above a spacious garage and a front dinette that converts into a single bed. The brand-new Excel 620S offers a traditional layout with an end kitchen and sink and large front lounge which makes up into either two single beds or one large double.

For those seeking more space, the 6.75m Excel 675B provides a large front dinette that transforms into a double bed and includes a generous rear bathroom with abundant storage. The 690T model, at 6.90m, offers raised twin rear beds that convert into a double, with the signature single bed up front.

The 690L features a large rear U-shaped lounge, perfect for socialising, and versatile sleeping arrangements. With modern amenities like a Triplex oven, Thetford refrigerator, and optional wind-out awnings, the Auto-Trail Excel range promises unforgettable journeys in style and comfort. The Excel range also features an optional elevating pop-top roof on its 620G, 675B, 690L and 690T for 2025.
