LIVING

Designed for Touring Comfort

The McLouis Fusion living spaces are your sanctuary on the road. Spacious lounges, premium upholstery, and thoughtfully placed LED lighting create a welcoming environment, perfect for relaxing or entertaining. Panoramic windows flood the interiors with natural light, connecting you to the beauty of your surroundings.

LIVING AREA FEATURES

- Spacious lounge areas with premium upholstery and contemporary Urban Grey interior fabrics
- Panoramic windows for natural light and scenic views
- Isofix mounting points for child seat safety (on rear forward-facing seats)
- Adjustable LED habitation lights for ambient lighting
- Swivel driver and passenger seats with armrests for additional comfort
- Gloss-front fixed tables and large wardrobes with hanging rails
- Integrated TV bracket ready for entertainment on the go
- Pleated privacy curtains in model-specific areas (e.g., rear bedroom)

The habitation door flyscreen slides across to keep insects out while allowing fresh air to flow in, ensuring a comfortable environment in your motorhome.

Fusion models provide plenty of interior spaces to securely store your luggage and touring equipment.

COOKING

A Chef's Haven on Wheels

Equipped with high-quality appliances, the McLouis Fusion kitchens make meal preparation a pleasure. From the spacious worktops and three-burner gas hobs to the large fridge-freezers and soft-close cabinetry, every detail has been considered to make cooking easy and enjoyable, whether you're whipping up a snack or a gourmet meal.

KITCHEN AREA FEATURES

- Oven, grill, and 2-burner hob with glass cover
- Three-way 137-litre refrigerator with freezer compartment and bottle drawer
- Panoramic rooflight above the kitchen area for natural light
- Ample storage cupboards and drawers for utensils and supplies
- Removable rack under the kitchen area for additional utility
- Wall-mounted spice rack for easy access to seasonings

WASHROOM

Practicality Meets Luxury

Our motorhome washrooms are thoughtfully designed with separate shower cubicles, premium fixtures, and elegant finishes. Whether you're freshening up after a long hike or starting your day, McLouis Fusion ensures your comfort and convenience.

WASHROOM AREA FEATURES

- Separate shower and toilet compartments (available in 373 and 379 models)
- Combined shower and toilet compartments in compact models (330 and 360)
- Vanity cupboard with mirrors and practical storage
- Electric flush toilet for convenience
- Towel hook, toothbrush holder, and hanging rails (model-specific)
- LED lighting throughout for visibility
- Double-glazed Seitz windows with blinds and flyscreens

SLEEPING

A Restful Night, Anywhere You Roam

Experience hotel-style comfort with McLouis Fusion's luxury sleeping arrangements. Choose from fixed island beds, twin beds, or electric drop-down beds, all designed with supportive mattresses and stylish headboards. Adjustable lighting and privacy screens ensure a peaceful night's sleep.

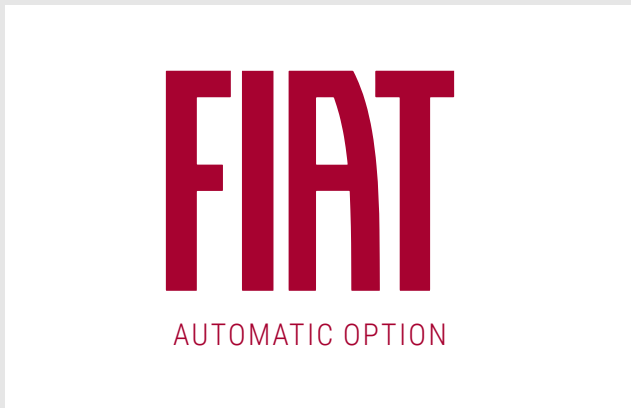

Fusion models offer generous storage solutions, including spacious wardrobes with hanging rails, perfect for keeping your clothes and touring essentials neatly organised.

SLEEPING AREA FEATURES

- Fixed island beds, twin beds, or electric drop-down beds (model-specific configurations)
- Beds with orthopedic staves for added support
- King-size central beds with widths up to 1500mm in selected models
- Memory foam seating and sleeping surfaces for enhanced comfort
- Adjustable lighting for customised ambiance
- Pleated privacy curtains for the bedroom area (available in specific layouts)
- Extension options for transforming twin beds into a large double bed (in 373)
- Pleated privacy curtains in model-specific areas (e.g., rear bedroom)

2025 KEY FEATURES

FIAT EURO 6E 140BHP 6 SPEED
MANUAL OR OPTIONAL 140/180BHP
8 SPEED AUTOMATIC GEARBOX

Renowned for its reliability and drivability, the Fiat Ducato chassis provides exceptional handling, fuel efficiency, and comfort. 140/180bhp automatic gearbox available as a cost option.

PIONEER TOUCH SCREEN 9" DAB
RADIO WITH SAT NAV & INTEGRATED
REAR VIEW CAMERA

Reach your holiday destination with ease using advanced features like DAB radio, Bluetooth®, a reversing camera, Apple CarPlay/Android Auto, and convenient steering wheel controls."

CRUISE CONTROL AND ENHANCED

SLEEPING

Innovative Construction Technology

All Fusion models feature McLouis' innovative wood-free construction, using high-quality insulation for enhanced durability. The iTech 4.0 wall system replaces wood with synthetic resin, reducing weight and increasing strength. Both the inner and outer walls are made of durable, water-resistant polyester, which is dent-resistant and hail-proof. Polyester also replaces the wooden interior walls used by other brands. Styrofoam insulation between the walls provides superior thermal performance and strengthens the structure, while the 7cm-thick underfloor insulation ensures excellent winter protection.

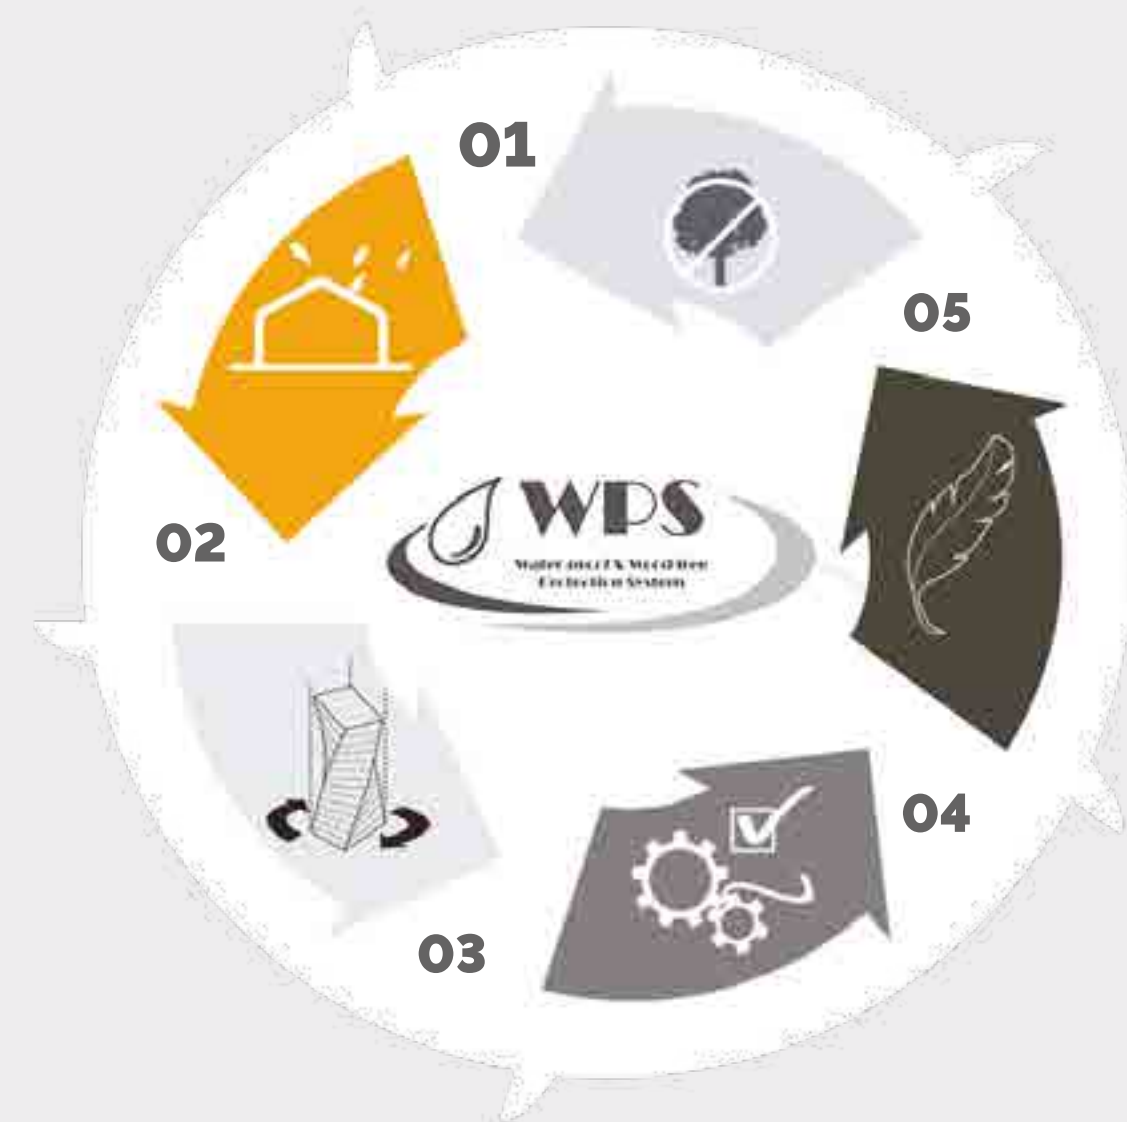

What is WPS?

1. Total absence of wood
2. Total waterproofing and higher heat insulation
3. Highest torsion resistance and more stability
4. Higher wear resistance and easy maintenance
5. Lighter and more resistant structure thanks to the use of bi-composite thermosetting resins

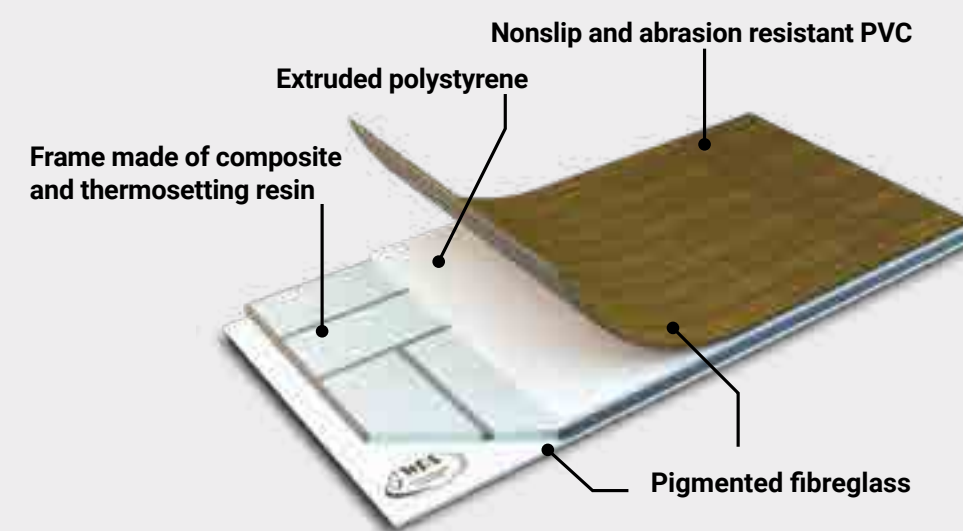

Side , Rear Walls & Roof

Wood-free supporting frame made of newly designed plastic resins. Fibreglass underbody coupled with non-slip PVC highly resistant to abrasion. Lighter structure and higher mechanical strength than the traditional wooden panels. Elimination of thermal bridges generated by the wood with higher heat insulation. Easy maintenance. Frame assembly with sound-absorbing materials for a better soundproofing.

Benefits Of Wood-Free Construction

- ✓ Waterproofing
- ✓ Heat Insulation
- ✓ Stability
- ✓ Easy Maintenance
- ✓ High Mechanical Strength
- ✓ Lighter Walls
- ✓ Better Soundproofing

The Floor Structure

Wood-free supporting frame. Exclusive design profiles with high strength thermosetting resin composites. Exterior and interior fibreglass coating. Waterproofing, elimination of thermal bridges generated by the wood. Structure made of extruded materials with higher heat insulation. Industrial type assembly to ensure high quality standards.

Warranty

When you choose a McLouis Fusion motorhome, you can enjoy peace of mind knowing your vehicle has been expertly designed and built to provide years of hassle-free touring.

10
YEARS

WATER INGRESS GUARANTEE

McLouis take pride in their construction process, which is why every motorhome comes with a comprehensive 10-year water ingress guarantee. This guarantee covers any damage caused by abnormal modifications to the original bodyshell's waterproofing.

2
YEARS

HABITATION GUARANTEE

This guarantee covers all labour and parts required to repair or replace faulty components within the habitation area, completely free of charge, for 24 months from the date of the vehicle's registration.

2
YEARS

FIAT CHASSIS WARRANTY

All McLouis Fusion motorhomes registered in the UK come with a 2-year unlimited mileage warranty on the Fiat chassis. The Fiat Professional Authorised Network guarantees protection against manufacturing defects for 24 months from the date of initial registration, with no mileage restrictions.

Additionally, every motorhome includes 1 year of Fiat Assist Breakdown Recovery, starting from the date of registration.

SERVICE

Service and Support for McLouis Fusion Owners

McLouis Fusion motorhomes are exclusively imported to the UK by British manufacturer Auto-Sleepers, providing expert service and support tailored to your motorhome.

Comprehensive UK Dealer Network and Service Centres

As a McLouis Fusion owner, you have access to a hand-picked network of trusted dealer service centres across the UK. These centres are equipped to provide high-quality servicing and repairs, ensuring your

motorhome is maintained to the highest standards. For specialised care, the Auto-Sleeper Service Centre is also available to meet your needs. and mains hook-ups for an overnight stay.

Auto-Sleeper Service Centre

Conveniently located near the Auto-Sleepers factory in Willersey, near Evesham, Worcestershire, the Auto-Sleeper Service Centre is dedicated to motorhome, campervan, and caravan owners.

Whether you require an annual habitation check, repairs, or modifications, the highly skilled and fully trained technicians are here to help. While specialising in Auto-Sleeper and McLouis Fusion

models, the team can carry out work on most vehicle makes (warranty work excluded for other manufacturers).

The Auto-Sleeper Service Centre offers a comfortable waiting room with refreshments, as well as mains hook-ups for those requiring an overnight stay.

Peace of Mind, Wherever You Are

Whether you visit a trusted dealer service centre or the Auto-Sleeper Service Centre, you can be confident that your McLouis Fusion motorhome is in expert

hands, giving you peace of mind for your adventures ahead.
