

**ADRIA**

**TWINS.** A Pioneering spirit

THE ICONIC CAMPERVAN  
**TWIN & SUPERTWIN**

# Twins: A Pioneering Spirit.

The Adria Twin has long been the most sought after van conversion in the market. It is the benchmark which all other van conversions are compared. With open plan living space, panoramic sunroof window, swivel-wall Duplex bathroom and many other novelties. The Twin has pioneered many layouts and new features over the years. It is now available in 3 very attractive ranges; Sports, Supreme and Supertwin. Today's Twin has a distinctive DNA.

Twin Sports and Twin Supreme are offered on the new FIAT Ducato. Whilst these models are recognisably Adria Twin, they feel fresh from the moment you see one. You can expect a new cabin experience whilst traveling, with the latest engine and gearbox choices and driver and safety aids. The exterior is available in a large choice of colours. There are plenty of options to customise your Twin.

Supertwin is the first Adria campervan on Mercedes-Benz also offering All-Wheel-Drive (AWD). Designed and built tough for explorers, adventure seekers and adrenaline junkies, because difficult roads always lead to the most beautiful destinations. Your wilder side finds its perfect match.

Engineered not only for comfort and luxury but also for durability and adaptability and designed for enhanced stability, the Supertwin can confidently handle a variety of terrains, including gravel roads, rough tracks, and more challenging conditions commonly encountered in off-road environments.

Supertwin combines rugged off-road capability with sleek, modern design, offering a bold yet incredibly stylish campervan that turns heads wherever the road takes you.

The Supertwin is not just a campervan – it is a statement

## Inspiring your adventures.

Our vision is for Adria to become the most desirable recreational vehicle brand.

Adria Mobil has been designing and manufacturing recreational vehicles since 1965, with over a half a century of expertise and passion applied to every vehicle.

Adria is recognised by independent awards for design, innovation, quality and customer satisfaction and our aim is to inspire you to join the ever growing community of Adria owners, creating your own memorable experiences.

We are pioneers in campervan design and develop our campervans by following these principles:

### DESIGN

We aim to inspire with vehicles designed for living, with great style, practical use of space, comfort and a feeling of well-being.

### INNOVATION

We are committed to innovation, with vehicles designed to perform, with everything developed for your comfort and enjoyment.

### EXPERIENCE

Our vehicles are designed for you, with a choice of models, layouts, features and a selection of soft furnishings.

**Adria. Inspiration for your adventures.**

# Twin Sports

Twin Sports is a versatile campervan that merges innovative design with practicality making it ideal for adventurous couples, active families, or anyone needing adaptable space for both living and storing equipment.

Built for adventure and designed with active families in mind, the Twin Sports blends dynamic design with flexible space, featuring a pop-top roof for extra sleeping capacity, and a choice of bedroom configurations, all with generous storage for sports gear, and a smart open-plan layout that adapts effortlessly from daily travel to weekend escapes.

## Exclusive features & specification:

- Contemporary, automotive interior design, combined with pop-top roof accommodation
- Cabin-loft open-plan interior, with sunroof panoramic window
- Pop-top roof (light yet strong construction, neatly integrates into the roof)
- Innovative sleeping within the pop top roof for 2, with excellent insulation and comfort
- Built on new FIAT Ducato in 7 exterior colours;
- Stowable table, with extension and cup-holder (useable outside with optional bracket)
- Exterior shower point
- Kitchen with 2 burner hob and integrated sink, combi oven/grill, 87l compressor fridge (138l optional) and plenty of storage
- Innovative Duplex washroom, with swiveling-wall and shower cubicle
- Large rear bedroom in different formats, with new rear bed design in 640 SGX
- Controllable smart direct and ambient LED lighting
- Innovative storage with large wardrobes, cupboards and drawers
- Aluminium garage floor (optional slide-out floor feature on SGX model)
- Electronic waste water disposal valve
- 3rd bed inflatable solution (option)
- Adria control panel to manage key functions
- Sliding door with optional flyscreen

# Twin Supreme

**Twin Supreme** campervans have always had presence on the road. Smart design provides a seamless transition from the cabin to the living space. Available in a wide choice of exterior colours. Twin Supreme offers a modern design language, influenced by premium automotive styling, for a comfortable and easy to use campervan. Rest assured, your Twin will assist your outdoor living, with plenty of space for storing your sports gear, or for your pets to sleep in! All models offer many storage solutions throughout.

Discover a sanctuary on wheels with the Twin Supreme. A class-defining campervan which harmonises elegant design with practicality. Home-style ambiance meets automotive finesse in an open-plan, cabin-loft interior featuring a large panoramic skyroof window flooding all spaces with natural light, creating an inviting, airy atmosphere. The clever duplex bathroom innovatively converts between a chic washroom and a full-height shower space with a simple swivel of the wall.

All Twins are built for year-round use with effective insulation, controlled airflow and industry leading heating systems.
