UNRIVALLED *Luxury*

The Mercedes Coachbuilt range sets the benchmark for luxury touring, delivering effortless driveability, premium comfort, and year-round usability with habitation air conditioning. Inside, thoughtfully designed layouts feature Reflex™ foam upholstery, stylish fabrics, fully equipped kitchens, modern washrooms, and elegant living spaces with smart storage throughout—ensuring every journey is as practical as it is indulgent.

Pack More into Every Journey

Smart storage makes the most of your onboard payload, so you can bring both essentials and little extras for the journey.

LED Interior Lighting

Create the perfect atmosphere with clear, bright-white, and energy-efficient LED lighting, complemented by the easily accessible and repositionable reading spotlights.

Multifunctional Washrooms

Expertly designed and crafted for ultimate luxury, comfort, and convenience, our washrooms feature premium fixtures, smart storage solutions, and bright, stylish finishes.

Dine Al'Fresco!

Feel like making the most of some glorious weather? All of the 2026 Auto-Sleeper models feature external BBQ points for quick and easy outdoor dining.

Fully Functional Kitchens

Our 2026 coachbuilt kitchens include a dual-fuel hob, oven, grill, microwave, extractor fan, and fridge-freezer, with plenty of space and storage for easy meals on the go.

Durable Upholstery

Our latest interior fabrics have surpassed 100,000 cycles on the Martindale rub test, ensuring outstanding durability and long-lasting quality.

Time to Put Your Feet Up

Enjoy effortless sleeping comfort thanks to either a Reflex™ foam or luxurious fixed memory foam bed, all enhanced by premium fabrics, elegant furniture styling, and ambient interior lighting.

Metalarte Habitation Door

Coachbuilds feature a secure habitation door with single key locking, plus a pleated flyscreen for added comfort and pest protection.

THE LATEST TOURING TECHNOLOGY

Mercedes Turbo Diesel 170bhp Euro 6.3 automatic engine*

Enjoy smooth driving comfort with the 9G-TRONIC auto transmission, offering quick shifts, low noise, and efficient performance.

MUBX Touch Screen with Apple CarPlay, Android Auto & DAB radio*

Premium touchscreen with rear camera, Apple CarPlay, Android Auto, calls, and messaging.

Colour rear-view observation camera*

Park with total confidence with a live view from the pre-installed rear observation camera.

Smart Driving Assistance

Enhance every journey with the latest in advanced driving safety features, including Lane Assist, Attention Assist, Hill Start Assist and Intelligent Speed Assist.

All-Year Round Touring

All of our Mercedes coachbuilds are designed for enjoyable all year round touring - featuring efficient interior heating systems & excellent thermal insulation.

100W Solar Panel*

Harness renewable eco-energy to power your motorhome off-the-grid adventures and reduce hookup costs.

25L Underfloor Mounted LPG Tank

Space-saving, long-lasting gas supply for heating, cooking, and hot water.

Alde 3030 Plus Heating and Hot Water System

The 3030 Plus dual-fuel system provides efficient heating and continuous hot water.

5G-Ready Wi-Fi

Stay connected whilst travelling with the inclusion of the built-in mobile broadband hardware for faster, more reliable touring internet onboard.

100ah Lithium iron phosphate leisure battery

High-performance 100ah leisure battery enhanced performance and long-lasting, reliable power on your travels.

Sargent S7 Vehicle Tracker Pre-Installed

Pre-installed Sargent 24/7 security system with advanced tracking and monitoring.

Truma Aventa Comfort A/C Climate Control

Roof-mounted air conditioning system for a comfortable, cooler summer touring experience as standard in Mercedes models.

IMPORTANT INFORMATION

This brochure is for guidance purposes only. Please be sure to check our full current and technical specifications with your retailer before placing your order. Auto-Sleepers design its Motorhomes to provide a variety of potential uses for its customers. Each vehicle features the optimum storage, fluid, seating and sleeping capabilities. While the customer enjoys this potential, they have the responsibility to select the proper combinations of loads without exceeding the chassis weight capacities. Please note that imperial conversions have been rounded to the nearest inch. Dimensions are based on vehicles with standard wheels. All weights and dimensions are subject to manufacturing tolerances and refer to standard specification models and do not include any options. Data & accuracy: The contents of this publication are as accurate as possible at the time of going to press (Oct 2025), but this brochure should not be regarded as an infallible guide to current specifications, nor does it constitute an offer for the sale of any particular vehicle. Details of performance, dimensions and weights are subject to minor deviations within manufacturer tolerance limits (max +/- 5%). Effective 1st October 2025. This literature supersedes all others. *Hot water in 3 minutes for washing up and water for a hot shower after 8 minutes. (Heating time in gas and hybrid mode with a temperature difference $\leq 25^{\circ}\text{C}$ (e.g. tank 13°C - shower temperature 38°C) and a water flow rate of 3.5 litres per minute, limited by supply of gas, electricity and water and lifespan of the product.)
