## DISCLAIMER

Ø Uses sensors. 1) Safety feature. 2) Driver Assistance feature.

Please note: Driver-assist features are supplemental and do not replace the driver's attention, judgement and need to control the vehicle. Note: A rear-facing child seat should never be placed in the front passenger seat when the Ford vehicle is equipped with an operational front passenger's airbag.

Note: Navigation is available with selected Driver Assist packs on all vehicles with SYNC 4.
Note: Full SYNC 4 smartphone integration is only available with iPhone 5/Android 5.0 (Lollipop) or higher. Some SYNC 4 functions require a data connection, so mobile data charges will apply. To check whether Apple CarPlay and Android Auto are available in your market, please check their official websites for the latest information.

*Don't drive while distracted. Use voice-operated systems when possible; don't use handheld devices while driving. Some features may be locked out while the vehicle is in gear. Not all features are compatible with all phones.

Note: Ford Connected Navigation is and optional subscription, and complimentary for the first 12 months**)Following the initial 12-month Connected Navigation trial period a subscription fee is payable. Connected Navigation uses connected vehicle data (such as driving and location data) shared through the FordPass Connect. Data sharing with Ford can be managed through the in-vehicle settings, but this may impact the services available. **From warranty start date.
