The almost complete elimination of wood in the bodywork structure and using insulating and damp-proof materials not only enhances durability but also improves energy efficiency and comfort. This approach can significantly extend the lifespan of your motorhome, making it a wise investment for long-term adventures.

The 2026 Benivan Range is ULEZ compliant with low VED rates, giving you cleaner, fee-free travel and lower running costs. A smarter, future-proof choice that saves you money year after year.
