New Models for the 2026 Season

The Panama range grows with the arrival of two new campervans – the P\12+ and the P\50+ bringing greater space, flexibility and everyday usability.

The P\12+ features a three-seated sliding rear bench and a longer body, offering added space and flexibility for your trips away. The P\50+ takes versatility even further, offering a more spacious interior and flexible seating that adapts effortlessly from everyday travel to open living or load space.

Together, they expand the Panama campervan line-up with more choice for every kind of adventure.
