

## Antarès 496

Manufactured by French leisure giants, the Trigano Group, the Caravelair Antarès range is fully equipped for UK caravanning (including a nearside door) and is available exclusively from Marquis.

Offering a collection of 6 layouts, many unique to the UK market, this range offers excellent value in its class and prices start at an all-inclusive £14,495 OTR.

The award-winning Caravelair Antarès offers a range of unique and exclusive layouts fully specified for the UK caravan market. Since their launch they have undergone a substantial specification make-over, further enhanced externally for the 2019 season. These desirable models are lightweight, compact, chic and easy to tow.

Being NCC Approved, you can be assured that it meets all UK standards and is safe for your family. The new innovative construction uses a mixture of GRP and insulating XPS panels, resulting in a caravan that offers greater resistance to impacts, scratching and is Grade III insulated for all-season usage.

The seven-year water ingress warranty adds to peace of mind that you are investing in a caravan with the highest standards.

As featured on Channel 5's '5 Go Caravanning' popular TV series, the 496 model is designed for the family. This spacious six berth will make you feel 'right at home'. The interior features a versatile living area with a large front lounge in a two-tone contemporary fabric which is fire-retardant and comfortable.

The fully-equipped kitchen boasts a practical 85-litre fridge, dual-fuel hob with oven and combined grill and a stainless-steel sink. The dinette leads through to double bunk beds which provide the perfect 'den' for children. Opposite is a bathroom with electric-flush cassette toilet and separate shower.

## ANTARÈS 480

The other model to feature in the recent Channel 5's '5 Go Caravanning' popular TV series, the Antares 480 combines luxury with light weight, meaning you can tow this home-from-home with most standard saloon cars. It's the ideal option for couples or 2+2 families, where the kids (or occasional guests) can sleep on the front sofas or vast make-up double bed, while you enjoy the spacious and comfy double bed with all-round access for the couple who are looking for a large fixed double bed at the rear.

## ANTARÈS 335

The smallest of the Caravelair range, imported from France by the Marquis group, the Antares 335 is a compact two-berth caravan. It's got everything you'd expect to find in a 'full-sized' caravan, carefully compressed into a tiny, towable one, great value for money with its brightly lit interior and good equipment specification.
