Mileo...All Inclusive

Mileo 283

The Mileo 2 Series offers a range of low-profile models with space-saving multi-positional electric drop-down beds on selected layouts. All Mileo 2 Series models come with a MTPLM weight of 3,500kg and can be driven by everyone on a full UK driving licence. There is also the option to upgrade all models to a higher MTPLM and take advantage of a subsequent payload increase.

All Benimar models are both NCC Approved and achieve Grade III insulation for all-year use, and come with a GPS Trackstar CAT6 tracking system with a one-year subscription, so you are ready to drive away and enjoy adventures to remember.

New for 2019 in the Mileo line-up comes the exquisite 283. This model features a powerful Euro VI Fiat chassis and 150bhp

“

This all-inclusive, one specification, one price-range with no hidden extras has more than doubled in sales volume since its inception. It is hugely popular with the UK market and continues to win awards with industry bodies, making it stand out from the crowd.

- Berths** | 3 **Travel seats** | 4
- Gross weight** | 3,500kg
- Payload** | 640kg

MILEO 286

The impressive Mileo 286 offers a very practical layout with a large, spacious lounge up front, featuring opposing sofas with a table in the middle, and offering seating for up to seven.

LED ambient lighting and two large skylights create a light and airy feel, making it the perfect space for relaxing with friends. Come night-time, a multi-positional drop-down bed sits above the lounge.

An extra-large kitchen is located behind the lounge, and this features a gas hob with an oven below. A microwave adds flexibility, too. Plentiful cupboards both above and below offer ample stowage, and these are finished off in stylish white.

A luxurious bathroom behind, as well as a large wardrobe with an inner light, complete the look.

SPECIFICATION

Price from £54,995	Berths 4
Base vehicle Fiat Ducato	Travel seats 4
Euro VI	Gross weight 3,500kg
Layout End washroom	Payload 370kg

MILEO 201

The Mileo 201 is a two-berth model that consists of a comfortable fixed transverse double bed to the rear, accessed via space-saving foldaway steps. A spacious garage underneath allows room for your camping equipment.

The central kitchen comprises of a two-burner gas hob, an electric hotplate, and a combined grill and oven – perfect for life on the road! Opposite the central kitchen is the compact washroom, featuring a shower cubicle, hand washbasin and the toilet.

Ahead of this sits the luxurious front seating area, offering two rear travel seats, cab swivel captain seats and a double drop-down bed. Standard specification includes dual-fuel heating and a hot water system, blinds and flyscreens, a solar panel and alloy wheels.

SPECIFICATION

Price from £50,995	Berths 2
Base vehicle Fiat Ducato	Travel seats 4
Euro VI	Gross weight 3,500kg
Layout Transverse rear bed	Payload 560kg
