For those who want the versatility and practicality of a compact campervan without the compromise of on-board facilities, meet the R535.

The Randger R535 includes everything you'd expect from a campervan, such as a kitchen with stainless-steel sink, two-burner gas hob, on-board fresh and waste water tanks, a gas storage compartment and electric hook-up.

As you'd expect, there is plenty of practical space-saving storage on board for all your

There's no doubt your Randger is ready to adapt to whatever you need it for; it's a car, campervan, extension of your family, your escape and your safety net. Whether at

When you choose a Randger campervan you have the reassurance of knowing your vehicle has been designed and constructed to give you years of enjoyable and worry-free touring, too.

All Randger campervans are covered by a two-year habitation and a five-year water ingress manufacturer guarantee, plus a two-year Fiat chassis warranty.
