Primero 301

New for the 2019 season comes this range of extremely competitively priced motorhomes – the Primero. Being under six metres in length, the Primero is a practical camper that is perfect for trips away, both at home and abroad.

Designed for a family of four, there is a fixed transverse double bed in the rear of the motorhome while a second double bed is located in the overcab area. Four belted travel seats ensure everyone can travel in safety and comfort, too. The Primero 301 also offers a large rear garage with external access, so there is adequate space for all your holiday needs and hobbies.

Based on the licence-friendly 3,500kg

chassis with a 130bhp Fiat Ducato engine as standard, an automatic gearbox upgrade is available. With 99% wood-free construction, Grade III insulation and Truma Combi gas/electric boiler, the Primero is ideal for year-round adventures.

Driving is also a delight, thanks to the likes of cruise control, cab air-conditioning, touchscreen radio and CD player with MP3 and USB ports, with Bluetooth hands-free controls on the steering wheel. You'll also benefit from ABS brakes, ESP Traction Control, Hill Hold and Bend Assist.

Primero offers an affordable motorhome with no compromise on specification or comfort – it is definitely worth a viewing!

“

We have been looking to bring a range of very competitively priced motorhomes to the UK market for the past couple of years and Primero ticks all the boxes. Being under six metres in length, the Primero range delivers a practical motorhome that is perfect for year-round use both in the UK and on the Continent.

PRIMERO 331

The Primero 331 is a four-berth overcab model that is perfect for families or couples who like to holiday with guests from time to time.

Up front, there is a spacious living area with comfortable seating for four, which is the perfect place for dining or relaxing at the end of an action-packed day. With a bench featuring two seatbelts, four people can also travel safely.

A comfortable double bed in the overcab provides perfect guest accommodation, while the large fixed double bed towards the rear of the motorhome offers home-from-home comfort. The bed also elevates to reveal a huge storage area below that's perfect for all your travel items.

SPECIFICATION

Price from | £44,995

Base vehicle | Fiat Ducato

Layouts | Fixed transverse rear bed

Berths | 4

Travel seats | 4

Gross weight | 3,500kg

PRIMERO 202

The Primero 202 offers a four-berth layout with the benefit of four travel seats, making it the ideal motorhome for couples and families.

The layout consists of an end kitchen and bathroom that includes everything you could need for a relaxing holiday. There is a spacious seating area to the front with two travelling seats, and a bench opposite that transforms into a double bed come night time. There is also the added benefit of a multi-positional, electric drop-down double bed here, too.

With a sleek profile and stylish black and yellow graphics, the Primero 202 is certainly an eye-catching motorhome! It's available exclusively from Marquis Leisure.
