Mileo 313

The Mileo 3 Series offers a range of coachbuilt models measuring from a compact, yet spacious, 5.95m to 7.12m in length. All models come with a large 1.5m x 2.05m overcab bed in a variety of bunks and double beds, six-belt and six-berth family layouts.

All Benimar models are both NCC Approved and achieve Grade III insulation for all-year use. Additionally, every Benimar comes with one year's free insurance (subject to terms and conditions) and a GPS trackstar CAT6 Tracking system with one year's subscription.

Improvements for the new season include a more secure entrance habitation door with a two-point locking system, improved locks on the garage doors and new bowl-style sinks and accessories in the bathrooms.

“

The 3 Series Mileo range has everything to offer adventurous families at one specification and one price. The flexible layouts cater for up to 6 people touring and their great specification gives superb value for money. Award-winning family motorhomes at affordable prices makes the Mileo range a very appealing option.
