

Majestic 194

Marquis

New for 2019, the exclusive Majestic 194 is a four-berth layout, which adds an exciting new element to the already extensive current Majestic line-up this season.

The 194 features a raised sleeping area to the rear of the motorhome, offering two comfortable single beds; alternatively, utilise the infill cushions to convert this space into a luxury double bed. With a sizeable garage below, having exterior access, this all-new model provides adequate storage for long-term touring.

To the front of the motorhome there are two parallel lounge seats, which makes for the perfect space for relaxing with friends. Come night time, the lounge also transforms into a further double bed. What's more, additional passengers can travel in safety,
