

## Corinium Duo

For those interested in supreme luxury combined with single bed functionality, look no further than the Corinium Duo!

Following on from the FB model, the Duo provides space and comfort normally associated with a tag-axle motorhome, but crucially on an economically lighter Al-Ko chassis. The front provides a spacious lounge with a fully featured kitchen leading into a true flagship of a rear bedroom with spacious single beds and a full-width en suite washroom, too.

Heritage and luxury with unrivalled finesse, nothing comes close to the Corinium Duo. Built on the Al-Ko wide-track chassis (4,000kg upgrade available), you can expect the turbo-diesel 160bhp Peugeot Euro VI engine as standard while the Fiat Ducato Comfort-Matic engine is optionally available.

“

*With a great choice of models, the superb Peugeot 160bhp engines or the incredible Mercedes Sprinter chassis with its fully automatic gearbox – our flagship specifications deliver a range that's the perfect combination for exploring the great outdoors in peerless comfort and refinement.*

Sales Director, Auto-Sleepers

”

Naturally, there is cab air conditioning, cruise control and digital DAB touchscreen radio, as well as integrated satellite navigation and Bluetooth connectivity.

A wide range of features are included as standard, too, such as a 25-litre underfloor mounted LPG gas tank, 80W solar panel, an external skirt storage locker, GRP body with scratch and impact-resistant platinum sides, Truma iNet Control Box, Sargent's E700 electrical system with 7-inch LCD screen and optional Leisure Vehicle Tracker, Metalarte exterior sliding door with a flyscreen, opening skyview window, panoramic wind-up rooflight, and a Thule (Omnistor) canopy awning, too. Furthermore, you'll also enjoy a reversing camera with LCD Screen, alloy wheels, fix and go emergency repair kit, optional spare wheel, external bbq and 230V mains sockets and USB ports.

### SPECIFICATION

- Price from** | £66,700
- Base vehicle** | Peugeot Al-Ko chassis
- Layout** | Rear single beds
- Berths** | 4 **Travel seats** | 2
- Gross weight** | 3,500kg
- Payload** | 363kg

## BROADWAY EB

Epitomising pampered touring, the perfectly proportioned EB combines a superb feature washroom with a spacious lounge and kitchen without sacrificing practicality.

The large lounge up front with opposing sofas is ideal for relaxing with friends and family; with the swivel cab seats in use, up to eight people can recline here! The capacious rear washroom offers luxurious hotel-style comfort, with a separate shower cubicle and stylish lighting. Meanwhile, the central kitchen is well appointed and features clever storage solutions.

The Broadway EB retains all the functionality and manoeuvrability of a medium-wheelbase chassis, delivering total freedom to explore comfortably and in style!

### SPECIFICATION

**Price from** | £60,200

**Base vehicle** | Peugeot Boxer

**Layout** | End washroom

**Berths** | 2 **Travel seats** | 2

**Gross weight** | 3,500kg

**Payload** | 519kg

## BOURTON

The Bourton builds on the popularity of the Stanton to deliver a spacious, no-compromise front lounge, end kitchen model that delivers on every front.

It offers quintessential luxury, as its huge up-front lounge with wind-up skyview window quickly converts at night to provide a choice between full-length twin single beds or a decadent double. To the rear, you'll find a practical kitchen with a cleverly designed adjacent swing-wall bathroom.

The Mercedes chassis with its turbo-diesel 163bhp engine is renowned for its driving comfort, and the optional seven-speed fully automatic gearbox makes it the perfect base vehicle for a luxuriously specified flagship motorhome range.

### SPECIFICATION

**Price from** | £70,995

**Base vehicle** | Mercedes

**Layout** | Rear bench lounge

**Berths** | 2 **Travel seats** | 2

**Gross weight** | 3,500kg
