

## Tekno Line Kea P65

For those seeking an unparalleled motorhoming experience, Marquis presents the exclusive Mobilvetta Tekno Line motorhome ranges.

The newly introduced Kea P series offers three cool and captivatingly compact low profile models. These exclusive ranges are competitively priced within their luxury sectors, but without any compromise to quality or specification.

Inside each Tekno Line motorhome, Mobilvetta's expert designers have created the perfect fusion of traditional handcrafted 'Marine' style furniture and contemporary Italian design.

The interiors have been sculpted to provide elegant and opulent living spaces whilst innovative and modern storage techniques ensure that each of these well-appointed motorhomes makes getting away

“

*Introduced in 2018, the Kea P65 is a luxury low-profile four-berth featuring fixed single beds at the rear of the vehicle and a double bed above the lounge. The kitchen and en suite-style bathroom (that can be shut off from the rest of the motorhome with a solid door) are located in the centre of the vehicle and, like all Mobilvettas, the P65 offers spacious luxurious living and plenty of storage.*

from it all a true pleasure.

The all-new Kea P65 features twin single beds in the rear of the motorhome, which are accessed via a set up of steps. This allows for both wardrobe space and a capacious garage below, ensuring there is all the stowage you could need on your holiday.

Ahead of the bedroom is the centrally located bathroom, with a toilet and sink on one side of the galley, and a separate shower on the other.

The practical and thoughtfully designed kitchen is also split across the passageway, with the cooker and sink on one side and the fridge opposite, while the comfortable lounge and practical diner sits at the front of the motorhome.

Come night time, a further double bed is located here, making the Kea P65 perfect for family getaways.
