SPECIAL EDITION CARAVANS

Marquis

Caravelair Antarès 496

Manufactured by French leisure giants, the Trigano Group, the Caravelair Antarès range is essentially a special edition range fully specified by Marquis Caravans for UK caravanning (including a door on the nearside). They are available new exclusively from Marquis' 12 nationwide branches.

Offering a collection of 6 layouts, many unique to the UK market, this range offers excellent value in its class and prices start at an all-inclusive £14,495 OTR.

The award-winning, UK-specific Caravelair Antarès offers a range of unique and exclusive layouts for caravanning in Britain. Since their launch they have undergone a substantial specification makeover (a kind of 'Britification'), and they've been further enhanced externally for the 2019 season. These desirable models are lightweight, compact, chic and easy to tow.

Being NCC Approved, the Antarès range meets all UK standards and is safe for your family. The new innovative construction uses a mixture of GRP and insulating XPS panels, resulting in a caravan that offers greater resistance to impacts, scratching and is Grade III insulated for all-season usage. The seven-year water ingress warranty adds to peace of mind that you are investing in a caravan with the highest standards.

Price from | £17,995

Layout | Bunk beds

Berths | 6

MIRO | 1217kg

MTPLM | 1400kg

As featured on Channel 5's '5 Go Caravanning' popular TV series, the 496 model is designed for the family.

This spacious six-berth will make you feel 'right at home'. The interior features a versatile living area with a large front lounge in a two-tone contemporary fabric which is fire-retardant and comfortable. A TV can be wall mounted above.

The fully equipped kitchen boasts a practical 85-litre fridge, dual-fuel hob with oven and combined grill and a stainless-steel sink. The side diner area leads through to double bunk beds which provide the perfect 'den' for children. Opposite these is a bathroom with electric-flush cassette toilet and separate shower.

ANTARÈS 480

The other model to feature in last year's Channel 5's '5 Go Caravanning' popular TV series, the Antarès 480 combines luxury with light weight, meaning you can tow this home-from-home with most standard saloon cars. It's the ideal option for couples or 2+2 families, where the kids (or occasional guests) can sleep on the front sofas or vast make-up double bed, while you enjoy the spacious and comfy double bed with all-round access for the couple who are looking for a large fixed double bed at the rear.

Layout | Fixed rear bed
Berths | 4

MIRO | 1047kg
MTPLM | 1327kg

ANTARÈS 335

The smallest of the Caravelair range, imported from France by the Marquis Group, the Antarès 335 is a compact two-berth caravan. It's got everything you'd expect to find in a 'full-sized' caravan, carefully compressed into a tiny, towable one, great value for money with its brightly-lit interior and good equipment specification.

Venus Deluxe 570/4

The all new 'Deluxe' range of Venus models is a special edition exclusive to Marquis, the UK's largest dealer network, with outlets from Durham to Dorset. What others offer as extras comes as standard with the Marquis special edition. First for value with alloy wheels, LED mood lighting, unique 'Mulberry' soft furnishings, exclusive graphics, shock absorbers, external gas barbecue point and USB charging socket – together worth over £1200 – this really is an eye-catching range you should check out. The standard Venus range is renowned for combining light weight, quality and style, and these Deluxe models take that to the next level.

With six different layouts to choose between, each model is designed to offer you unmistakable style and unbelievable value.

The range consists of four single-axle caravans and one twin-axle model. Each one is designed to make the best possible use of the space on offer.

With a modern streamlined exterior, a large panoramic one-piece front window, dazzling decals and eye-catching dark-tinted alloy wheels, this stylish range is guaranteed to get you noticed on site!

The 570/4 is a four-berth layout with a transverse island bed. Step inside and you

will want to get cosy among the exclusive soft furnishings, which are complemented by the light-grain locker doors with their chic satin-finish handles.

The comfy front sofas convert to a bed in seconds, thanks to the 'Easy Action', slide-out bed base. Plus, for easy access, there are full-length drop-down 'flaps' on the under-sofa locker storage.

Enjoy cooking in the kitchen area, styled with 'Brushed Oak' locker doors and a coordinating laminate with a 'Talavera' finish. This model also features a good-sized circular sink, a combination oven/grill plus a three-burner gas hob.

Step into the washroom and you will find a contemporary top-mounted bowl with pop-up waste and swivel tap. Plus, the spacious shower is fully lined for added style and increased peace of mind.

VENUS DELUXE 590/6

The Venus 590/6 is perfect for larger families requiring extra space, luxurious furnishings, ample storage and flexible sleeping arrangements. With a modern streamlined exterior and a large panoramic one-piece window, it looks great from the outside.

The long front sofas convert quickly to a large double bed or you can opt to sleep on the settees which are 6ft 1in long.

The centre kitchen is well equipped to rustle up a meal for the family, with its combined oven/grill and spacious fridge/freezer.

There's storage aplenty, and the rear bunks area offers a place for little'uns to play and sleep. The wet locker, exterior BBQ point and 240V socket provide practical solutions for family touring.

VENUS DELUXE 540/4

This versatile four-berth model is practical, spacious and exudes luxury. The layout offers an impressive kitchen and sociable lounge area, which converts to a cosy double bed in double-quick time.

Further back is a stylish French bed measuring 6ft 3in by 4ft 5in, while a full-width rear washroom provides a practical space for the family with all the luxuries of home.

LED mood lighting, warm wood tones and luxurious 'Mulberry' soft furnishings create a cosy, bright and stylish home-from-home. Thoughtful extras, such as USB sockets, make it a great place to relax with, or entertain, the family. A powerful 2kW Truma Combi heater, combined with excellent insulation, keep the chills at bay.
