THE ESSENTIAL GUIDE TO 2020 MOTORHOMES & CAMPERVANS

Tekno Line K-Yacht Kea P67

Marquis, Britain's largest motorhome dealer group, is the exclusive dealer for Mobilvetta in the UK. It has worked closely with the manufacturer to specify the range just for British buyers and, as such, is able to offer models with continental build quality that have been designed and equipped to be ideally suited for our market.

One of the highlights of the range is the award-winning Kea P67. This is a luxury four-berth low-profile coachbuilt featuring a popular fixed transverse double bed at the rear of the motorhome. The extra two berths come from a second drop-down double bed above the front lounge.

The versatile layout means there is a huge garage below the rear bed, a practical lounge/diner at the front and a well-equipped kitchen and en suite-style washroom located

“

Our award-winning K-Yacht range grows in popularity each year. Its marine-style high-quality interior offers a superior product for the seasoned motorhomer and luxury touring. These four-berth models will exceed your expectations on specification and through their exquisite style and design.

Adam Webb
Assistant Sales Director of
Marquis Leisure

”

in the centre of the motorhome.

The Kea P67 is built on the popular Fiat Ducato base vehicle with a six-speed manual gearbox coupled to the more powerful 160bhp engine as standard. Plus, there is now an option to upgrade to Fiat's new fully automatic gearbox.

There is also the option for a heavier 4,400kg chassis to give even more payload.

This will be popular with those buyers looking to make full use of the masses of storage available.

The Tekno Line K-Yacht range is aimed at those seeking an unparalleled motorhoming experience. As such, these exclusive models are not only competitively priced within their luxury sectors, but have no compromise to quality or specification.

Inside each Tekno Line, the designers have used traditional handcrafted marine-style furniture presented in a contemporary Italian design.

As Marquis says, the interiors have been sculpted to provide elegant and opulent living spaces whilst innovative and modern storage techniques ensure that each of these well-appointed motorhomes makes getting away from it all a true pleasure.

SPECIFICATION

Price from | £69,995

Base vehicle | Fiat Ducato

Layout | Fixed rear transverse bed

Berths | 4

Travel seats | 4

Length | 6.99m

Gross weight | See website

TEKNO LINE K-YACHT 85

This award-winning luxury four-berth A-class coachbuilt is a highlight of the Tekno Line range and, as with other Mobilvetta models sold here exclusively by Marquis, it is extremely well-equipped as standard. As such, it comes with extras, such as a solar panel, Fiat's Drivers Pack and alloy wheels, that many competitors charge extra for. The 85 features fixed single beds at the rear and a drop-down double bed up front. The kitchen and ensuite-style washroom (which can be shut off from the rest of the motorhome with a solid door) are central and, like all Mobilvettas, the 85 offers spacious luxurious living and plenty of storage.

Payload | See website

TEKNO LINE K-YACHT 79

The K-Yacht 79 is a versatile four-berth A-class motorhome with a comfortable lounge at the front, which benefits from both an L-shaped sofa and a second side-facing sofa. A large multi-directional table also makes this area perfect for dining. In the centre there is a well-equipped kitchen and washroom with shower and swivel loo opposite.

The highlight, though, is the luxurious fixed island bed* at the rear of the motorhome. This bedroom area provides handy bedside tables with a washroom basin set at the foot of the bed and plenty of storage space. *Picture below from 2019 model
